

MAGGART

W. M. Harrell, who underwent an operation some weeks ago, is on foot again. J. B. Hawthorne, fell headfirst from a load of hay several days ago and was badly hurt. He is still carrying his head a little to one side as a result of the fall. Aunt Delilah Olaxton of the Stonebridge neighborhood is in a very bad state of health. Rev. Hall, who has charge of Southern Methodist circuit here, instead of Rev. W. M. Cook who resigned to take charge of a High school at Cumberland City, filled his appointment at this chapel last Sunday. He seems to be in deep earnest about the work. The M. E. church here has possibly one of the largest Sunday schools in the county, as many as one hundred taking part in the classes. This school is composed of all denominations of the neighborhood, and we hope it is a part of the host John saw. J. B. Graves of Cookeville, after a few days' business trip here, has returned to his home, and Miss Mary Grisham, his niece, and two daughters of S. M. Thackston went with him for a visit of some days. It is understood that S. M. Thackston will move to his farm in the fall near Lebanon. It is also said that H. H. White will have charge of Mr. Thackston's farm in Sullivan's Bend. Miss Thula McDonald, one of Smith county's best teachers, and daughter of Rev. J. P. McDonald of the 11th district, and Mr. Ben Brinley of Enigma were married last Sunday. We have in our midst three women that weigh 600 pounds, and one man weighing 250 and a girl who is 23 years old that weighs only about 25 lbs. Mr. and Mrs. George Haynes' baby, at two weeks old weighed three pounds.

The good rains continue and the corn crops look fine. There seems to be some discussion as regards the fish and game law. We suppose that the license part of the law only was repealed. One purpose the law for Smith county serves and that is the violator of the law has fish and game while the other class doesn't. We think there should be a new assessment law. The constitution doesn't seem to be in the way, as it says, "All property shall be taxed according to its value," and we see readily that this is not done. Many merchandise notes are assessed at face value, while real estate is assessed at about one fourth its value. Maggart has a motor car, Ellis H. Maggart having purchased a five passenger Ford. There was a heavy rain here last Monday evening a week ago, washing lands badly. It washed a heavy sorghum mill a distance of about 400 yards, out of a hollow where the water had not more than three hundred yards to gather. The mill was on the farm of Esq. D. B. Harville; it also washed a log barn away, out of the head of a hollow, where the water had about 200 or 300 yards to gather. The barn belongs to John Shoenake.

NON-RESIDENT NOTICE

SMITH COUNTY BANK
vs.
CROSSMAN BROS. CO.

Before W. K. Webb, J. P. of Smith County.

In this case, it appears, by all data, that the defendant, Crossman Bros. Co., is justly indebted to the plaintiff, and is a non-resident of the state so that ordinary process of law cannot be served.

An original attachment having been levied on said defendant's property and returned to me, it is, therefore, ordered that publication be made in the Carthage Courier, a weekly newspaper published in the town of Carthage, Tenn., for four consecutive weeks commencing said Crossman Bros. Co. to appear before me at my office in Carthage on the 9th day of July, 1915, and make defense to suit, or it will be proceeded with ex-parte.

This June 9, 1915.

MISS DAVIS ONLY WEIGHED 76 LBS

She Now Weighs Over 100 Lbs.—Has Gained 24 Lbs. In Only Few Weeks.

Before I began taking Tanlac I only weighed seventy-six pounds. I now weigh over one hundred pounds and am gaining every day, was the truly remarkable statement made a few mornings ago by Miss LaRen Davis, residing at 210 Glass street, East Chattanooga, Tenn. Miss Davis was a very happy person indeed when she called at the Live and Let Live Drug Company's store for her third bottle of the medicine and seemed highly pleased at being able to find it in Chattanooga. Continuing, she said:

"I bought my first bottle a short time ago in Gas City, Ind., and it helped me so much I have continued using it since. I have always been very delicate and for the last few years have suffered almost continually from a very bad form of stomach trouble and rheumatism. I suffered a great deal from pains in all my joints and limbs. My kidneys also must have been affected, as I suffered a great deal with pains in my back.

"I rarely ever had any appetite and simply could not relish anything. What little I did eat always disagreed with me, and my food seemed to ferment and cause gas and swelling in my stomach. In fact, everything I ate seemed to poison my whole system, as the rheumatism pains were dreadful. You can easily imagine how I felt as I only weighed seventy-six pounds, and I was so thin that I looked perfectly awful. I was also terribly nervous and had headaches a great deal and seldom ever got a good night's rest. This was the condition I was in when I began taking Tanlac, but just look at me now. My appearance is changed so one would hardly know me to be the same person.

"O, I feel so different now, even my complexion has improved. My appetite is good. I can hardly get enough to eat, and everything seems to agree with me. I no longer suffer from dyspepsia and those terrible pains are all a thing of the past. In fact, I am enjoying the best of health and feel just dandy. Tanlac is simply grand, and I can truthfully say is the only medicine that ever did me any good. I would not take anything for what it has done for me. It has acted more like magic than medicine in my case, and I gladly recommend it to my friends."

Commenting on Miss Davis' statement, Mr. G. F. Willis, who is personally superintending the introduction of Tanlac in this city, said:

"Tanlac, the powerful reconstructive tonic, overcomes these troubles by purifying the system and invigorating the digestive organs. It builds up the system, creates a healthy appetite, vitalizes the blood, brings back color to the cheek and the sparkle of health to the eyes.

Tanlac is sold exclusively in Carthage by READ BROS., in Gordonsville by GWALTNEY & WILSON.

STONEWALL

Had a considerable storm here Monday morning and it blew corn about very badly; had some hail but not enough to do any damage. Mrs. T. N. Trousdale is slowly recovering an attack of appendicitis. Misses Amy Durham and Mattie Ashley were recent visitors in Brush Creek. Mrs. Fannie E. Durham, wife of the late Dr. J. A. Durham, died at her daughter's, Mrs. W. O. Duke, in Jackson county near Granville, in Brook's Bend, on the 19th of June, and brought here the following day and was buried in the family cemetery in the presence of a large crowd of friends and relatives. Bro. M. N. Ford conducted the funeral services which were very impressive. Mrs. Fannie E. Durham was born September 5th, 1845; died June 9th, 1915, age 69 years, 9 months and 14 days; professed faith in Christ at the age of about 14. She was married to James A. Durham June 6th, 1861. To this union were born 13 children, three girls and ten boys. All except three boys and one girl survive her. She was a noble wife and loving mother, but she is gone from Thine foot stool to enter into the joys that await those who obey and keep his commandments. God knew best. Thy will be done. Weep not as those that have no hope. By the help of all mighty God, I expect to meet her on the other shore.

BRUSH CREEK.

Mrs. Taylor of Gordonsville is spending a few days with her daughter, Mrs. Albert Tuggle. The death angel came into the home of Bro. L. L. Allen and claimed as its victim his beloved wife. She has been confined for several months, but she bore her suffering with Christian fortitude. She has been a member of the Missionary Baptist church for a number of years at which place the funeral services were held by Rev. Davenport, her pastor, and Rev. T. J. Estes in the presence of a host of sorrowing friends and relatives, after which her remains were laid to rest at the Primitive Baptist church cemetery. Mrs. Allen leaves to mourn her loss a husband, five children besides a large concourse of friends and relatives. The bereaved ones have the sympathy of the community in their sad hour of bereavement. Mrs. T. J. Rodgers who has been very sick for quite a while is not expected to live but a short time. Henry Moore was carried to Nashville last week by Dr. Parker where he underwent an operation for appendicitis. His many friends are glad to know he is rapidly improving. Mrs. Will A. Thomason underwent a serious operation at Dr. Burch's Infirmary last Wednesday from which she is recovering. Mr. Thomason left this morning for Nashville to be with her a few days. T. H. Bradley and wife of Hogan's Creek visited relatives near here Sunday.

Dixon Creek Church.

We had a pleasant trip to Dixon Creek church a few Sundays ago. It was Orphans Home Day. Bro. Claude Ramsey, the pastor, had a nice program arranged which was carried out successfully and a large collection was obtained. Bro. Ramsey, like some of the servants of old, is doing a great work and the members seem to be willing to co-operate with their pastor. They have a good Sabbath school and a bright future before them and fully understand how to treat a visiting brother. We are looking for great results from the work of this historic old church.

CHESTNUT MOUND, R. 1.

Recent rains are sending corn and tobacco on the boom. This coupled with harvesting, etc., is moving farmers with maximum capacity. The merry hum of the harvester is heard on the distant hillsides reaping the golden grain.

Mr. and Mrs. Willie Fields have returned from a visit to the latter's parents, Mr. and Mrs. W. T. Payne, of Lancaster. Mr. and Mrs. Albert Warren spent Sunday with the latter's sister, Mrs. Elijah Smith. Mack Pool and Mrs. Virgie Smith were quietly married Saturday evening while seated in their buggy. Esq. Wyatt officiating. We wish for them much happiness and prosperity. The younger element enjoyed a nice ice cream supper and nice music at the hospitable home of Mr. and Mrs. Homer Jared. Hayden Fitzpatrick and sisters, Misses Alma and Bettie were the guests of Mr. and Mrs. Bob Warren the weekend. G. W. Gann, Burl Parker and James Presley have purchased a new threshing machine. Rev. Stewart of Boma filled his regular appointment at New Macedonia Saturday and Sunday. Sunday being communion day a large crowd was present. Hayden and Blake Fitzpatrick visited relatives in Sullivan Bend Sunday. We are glad to report Mrs. Bob Glover better. Mr. and Mrs. John Read have returned to their home at Cookeville after an extended visit to relatives here.

A Plain Diagnosis.

Uncle Mose was a great preacher among the darkies of East Texas. He dealt particularly in rhetoric—flowery and fervid rhetoric. One occasion he had partaken too freely of the viands provided by the "sister-ins" at a church fair, and was laid up for several days with acute intestinal indigestion. "Brudders and sisterins, I axes your humble apologies for de contrariness of my theology today. Endurin' de week dat have marked hits footprints upon the revolving wings of time I has been inflicted wid a conglomeration of my detestables, which caused de catamounts to rise up in my indigestor, and give me such a hurtin' across my misery dat hit spiled de reminiscences of my sermon."

The Long Island railroad hopes to save \$20,000 by equipping its ferry and tugboats with oil-burning engines. The cost of making the change will be inconsiderable.

RUSSELL HILL.

The health is very good at present and we are having plenty of rain. Rev. G. W. Ramsey filled his regular appointment here Saturday and Sunday. Several from here attended a telephone meeting at Willette the 15th, and the company passed the following resolutions: 1st, that we disconnect from all the boards that have any connection with the Cumberland Company at once and that the former resolution be carried out. 2nd, The following delegates be appointed to attend the meeting at Carthage July 1st: W. C. Jenkins, J. M. Robinson, S. W. Hance and Bedford Shoulders. We hope this meeting will forever settle the question in regard to the Home company and the Cumberland Company connecting any more, because it has caused lots of disturbance in our Company. We wish both companies success in their work and service for we have no objection to the Cumberland people having lines and switchboards in the country but not to connect with the Home company so we can all go along nicely together. Hugh Thomas of this place closed his singing class at Ebenezer Sunday and left a good class there.
